The Oilers are not off to a good start and that is not very good for the team because every game counts towards a ticket to the playoffs in the first 5 games of the season we are 2-5-1. (2 win, 5 losses, and 1 OT losses) but it's not how you start it's how you finish so that's good for us.

WORLD SERIES

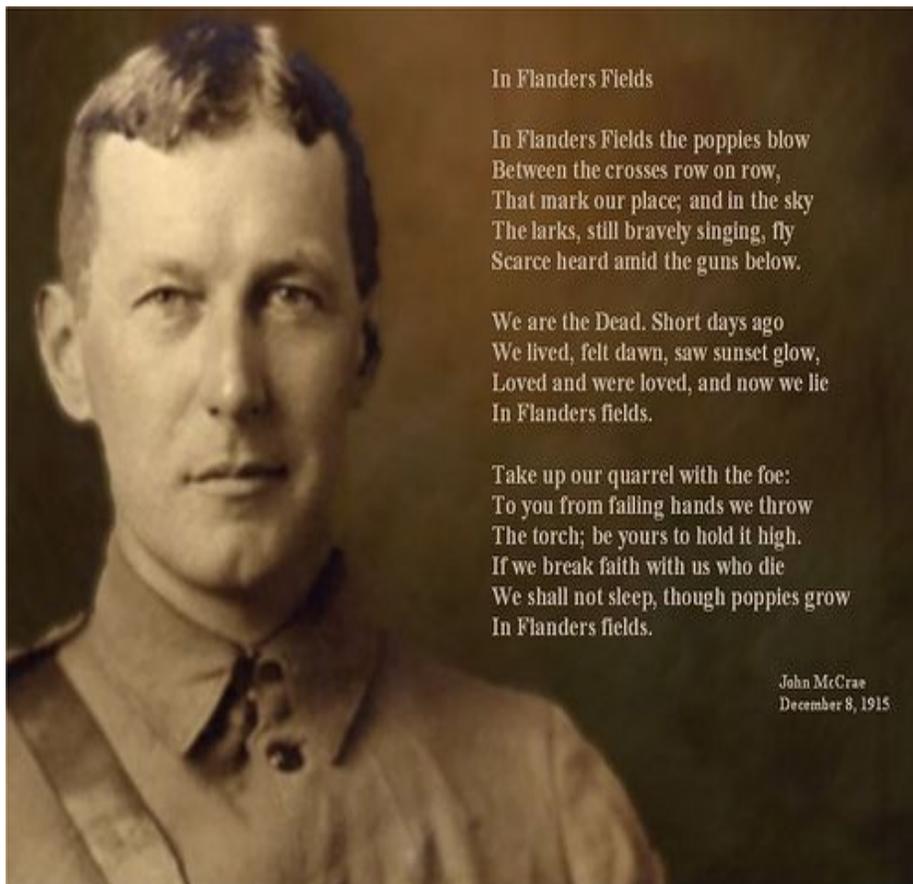

ASTROS vs DODGERS

On November 1st the Houston Astros defeated the LA Dodgers 5-1. They

won the World Series in 7 games in LA.

In Flanders Fields

In Flanders Fields the poppies blow
Between the crosses row on row,
That mark our place; and in the sky
The larks, still bravely singing, fly
Scarce heard amid the guns below.

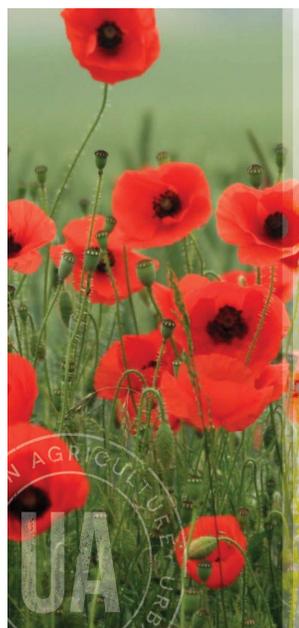

We are the Dead. Short days ago
We lived, felt dawn, saw sunset glow,
Loved and were loved, and now we lie
In Flanders fields.

Take up our quarrel with the foe:
To you from falling hands we throw
The torch; be yours to hold it high.
If we break faith with us who die
We shall not sleep, though poppies grow
In Flanders fields.

John McCrae
December 8, 1915

On Remembrance day you hear the choir sing and the hand chimes ring. Lest we forget the soldiers won't regret. The service they've done, the battles they

won. All to keep you in me in the beautiful land of the free.

POPPY

Poppies are known for their bright red color and delicate flowers. Because of their bright color, they typically attract pollinators like honey bees, butterflies and hummingbirds.

This year's Halloween dance was on Friday the 27th. You were asked to wear your costumes and the costumes have to be school appropriate. The dance started at 6:30-9:00. This year, for the dance we all did a Ghostbusters dance to the song Ghostbusters and each class participated. Each year we do a different song and dance. There was a lot of loud music. It was held in our school gym. Parents came and watched us dance. There were also some peanut free snacks to munch on. For 1 person it was \$5 and for a family it was \$20. Everyone had a spooky, good time!
