On Valentine's Day the Student Council put on our yearly Valentines Day Manicure. It cost \$1.00 and the money went to Smiles From Spencer, which raises money for Kids with Cancer. You were allowed to bring in extra money if you wanted to donate more than \$1.00. The manicure came with a candy bag of heart candy to enjoy after your nails were painted beautifully. At the manicure the students could choose the colour they wanted their nails painted. There were lots of colours to choose from. The students enjoyed the experience (I'm pretty sure the candy bags were the best by all the students:) As a school, we raised money for Smiles From Spencer and raised \$265. Great job, Jays!

## Hawaii

In December my family and I went to Hawaii! It was beautiful! If I had a chance to go again I definitely would go again. We went snorkeling almost every day, One day while we were snorkeling we saw 2 swordfish! One day we went to a Luau (Loow-ow) and it was awesome, and the food was delicious. My sister and I went snuba diving and I went down almost 20 feet! Every night we went to the pool and hot tub, and the pool was always empty!! Whale watching was one of my favorite activities, there was a basement part and a net on the deck! The basement had a mini bar so we could get drinks and food! My mom, my sister, step dad, and I all went down to the shopping mall. When we went to the shopping mall the second time (with my 2 brothers this time) it started to rain!! But other then that Hawaii was awesome!
